Subho Nabbarsho! to all my fellow members, ann, family members and readers of this bulletin. Our dream global grant project 'Rotary Clinic' works has been started by mobilising members' contribution, bank account opening, final building layout etc. Our club's cash contribution of US \$ 5,250 shall be forwarded to TRF as soon as the designated bank account is opened and building renovation shall be commenced by next month. An excellent community service project was done by us at Dokra on 9th April which I am sure have touched the hearts of the members & ann present there. We have organised a family value program Baishakhi Adda & Parents' Day on 23rd April at our club venue, which was nicely arranged and co-sponsored by PP Rtn. Kanai Lal Paul. I do extend my heartfelt gratitude to PP Rtn. Kanai Lal Paul & his family. I am also thankful to the parents, members, ann & family for their gracious presence & participation in the program.

Whatever Rotary may mean to us, to the world it will be known by the results it achieves
