ROTARY NEWS

- The 2016-17 Nominating Committee for President of Rotary International has unanimously nominated **Samuel Frobisher Owori**, of the Rotary Club of Kampala, Uganda, a businessman to be the president of Rotary International in 2018-19. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.
- Regional leaders from around the globe gathered at Rotary World Headquarters in Evanston in early March for training they will use to inspire members in their respective areas.
- RI Board put forth two proposals that increase flexibility in meetings & membership. The first measure allows clubs to decide to vary their meeting times, whether to meet online or in person, and when to cancel a meeting, as long as they meet at least twice a month. The second allows clubs flexibility in choosing their membership rules and requirements.
- The yearly per capita dues that clubs pay to RI will be \$60 in 2017-18, \$64 in 2018-19, and \$68 in 2019-20 & the distinction between e-clubs and traditional clubs will be eliminated.

Club President's Column

I am really spellbound my dear friends .The way all members ,past presidents , Ann and their family, Rotaractors are actively responding, cooperating, participating and organising club projects and programs to hold the club flag high is really appreciable. On 15th August we have successfully celebrated our 70th Independence day by organising a blend of literacy & humanitarian project 'Kadam Kadam Baraye Ja'. August is a month of R.I membership development & retention and we are working actively on this front . We have organised family value program Raksha Bandhan in association with our Ann sisters along with a workshop by Brahma Kumaries on 21st August & enjoyed a refreshing evening with our family .I do recognise the wholehearted effort of Rtn Pratik & Sumana to publish this 2nd bulletin of the year.
