 ROTARY SERVING HUMANITY

Club President's Column

It is heartening to say that Rotary Club of Madhyamgram Metropolitan has now got it's maturity, it shall no longer be a mediocre club carrying on tiny projects throughout the year. First time in it's history the club has bagged a global grant approval for a sustainable project – 'Clinic for treatment & prevention of diseases' amounting to US\$ 68,167. Our sincere gratitude to the Rotary International, TRF, RC Brentwood and all Rotary leaders & members without whose active support this would have not been achieved. Our goal is now to accumulate and forward our contribution to the Rotary Foundation, renovate the premises and set up the clinic at the earliest. I am thankful to each and every member of our club for their wholehearted support in successfully conducting 'Kits to Kids' project at Horekhali on 5th March'17. My heartfelt gratitude to Rtn. Ashoke Kumar Nandy for organising & sponsoring 'Club Holi Meet' on 19th March'17 at his residence and to all members and family for their participation. I do appreciate Rtn. Pratik & Sumana for editing this issue of our club bulletin.

Whatever Rotary may mean to us, to the world it will be known by the results it achieves

Dear friends,
Our long waiting dream came true when we got the approval news of Global grant project and I must thanks to the members who were involved in global grant writing and also to all the club members for their generous contribution for this project. Our horkhali project was a huge success. Our friend Rtn. Ashok Nandi sponsored a nice musical evening at his home on the eve of Basanta Utsab celebration. We have to prepare for our April project at Docra. I am wishing happy married life to newly married couple Emon and Tania. Best wishes to everyone.

Dear friends,

Compliments every one for lending your valuable support and attending the club program for this month of March, 2017. This month we have taken a project at Bharat-Sebasram Sangha, Horekhal -Purba Midnapore on 5th March 2017 and a good number of club members were attended this program and distributed Bed roll, school bags, kits etc. for 49 students of different class of this Ashram and inauguration of a tube well at Parbatipur High School which was taken on the Rota year 2015-16 jointly with District 3291. Due to some unavoidable condition I could not attend this program but feel the justification of such type of program.
