Rotary News

- At the 1917 Rotary Convention in Atlanta, Past President Arch C. Klumph proposed a revolutionary idea: an endowment fund for the purpose of doing good in the world. Since then, The Rotary Foundation has grown tremendously and in many ways, serves as the foundation for Rotary as we know it today.
- This November is particularly special for Rotary. We're not just celebrating Foundation Month, but also The Rotary Foundation's centennial. There are many to celebrate 100 years of changing lives and improving communities all over the world:
 1. Holding an event in your community will help you share all the good work you and your fellow Rotarians have done thanks to the support of The Rotary Foundation
 2. Our club can also plan and sponsor a project to address the needs of a community with locally raised funds or global grant funds.
 3. You can choose to help provide clean water, ensure basic education for young girls around the world, or tackle preventable diseases like malaria, Dengue.
